- Gurukula Times
- New Campus - Construction Update

"I am especially pleased that your Gurukula project is going forward nicely. I consider that this is one of our most important projects..."

If children are given practical guidance on the transcendental platform, above the bodily and mental conception of life, then they will develop into perfect citizens—moral, honest, hard-working, law-abiding, clean, faithful to home and country"

- Srila Prabhupada, letter to Satsvarupa, 1971

Grand Sankirtan Festival

Bhaktivedanta Gurukula and International School held a grand 8 hour-Sankirtan program celebrating 500 years of lord Chaitanya's visit to Vrindavan. Indeed there is no better way to celebrate this occasion than by chanting the holy names of the Lord, a process that was propounded and extensively preached by Mahaprabhu Himself. The Sankirtan was organised at the new Gurukula campus site, with as many as thousand devotees participating.

Students had prepared over 100 informative and decorative charts, some illustrating the pastimes of Mahaprabhu's visit to Vrindavan and others glorifying the process of chanting the holy names. Students had also prepared a picturesque diorama of Vrindavan including Giriraj Govardhan, Sri Radha kund and Shyam Kund depicting Mahaprabhu's arrival in Sri Vrindavan.

The entire event was anchored by HH Sachinandan maharaj, a prominent leader and a devout preacher of the Holy name. HH Sachinandan Maharaja's kirtan was followed by some soul- stirring kirtan by Madhav prabhu, Kirtan Das prabhu and others. After lunch prasadam, HH Bhakti Rasamrit Maharaj and HH Kadamba Kanana Swami Maharaj led kirtan and infused much joy among devotees who were all singing and dancing, rejoicing the celebration.

The sankirtan yagya concluded with the most mesmerizing kirtan led by HH Lokanath Swami Maharaj who also sang the Damodarashtakam while all the devotees gathered offered their lamps to Lord Damodar. Lila Purushottam prabhuji and Radhakant prabhuji expressed their gratitude on behalf of Gurukula towards all the leaders who had come to inspire and encourage us in our attempt to please the Lord and help us come up with a beautiful new campus

Gurukula Times

New Campus Construction Update

Full-fledged construction is under progress in the new campus. The foundation work of the first academic block has been completed. An experienced and dedicated team comprising of engineers, accountants etc. led by Madhusudan Mukunda Das (MBA, IIT Kanpur) is supervising the construction work. We are hopeful to complete the first phase of construction by December, 2016.
