Dear Parent,

Thank you for showing your interest in Bhaktivedanta Gurukula and International School (BGIS). BGIS offers quality education at an affordable price. We pride ourselves in the care we offer our students as well as our emphasis on creating a holistic learning environment which nurtures the academic, emotional, and spiritual needs of the students. The team of IIT graduates which had joined BGIS in 2010 has brought many positive changes. The unique international ambience in BGIS has no parallel in India.

The candidate has to appear for an admission test which determines the current grade level of English, Mathematics and Science. This will be followed by an interview in which your son's habits, social interactions and aptitude will be assessed.

Admissions open for the classes' II-IX and XI only.

We will be having the "Parents Students Orientation Session" which includes the assessment and interview for the admission.

Registration fee for "Parents Students Orientation Session": 1000/- Rupees
