Let's learn from a story

A different kind of spirit mixed up in the air of Vrindavan, so how BGIS could be saved from this. All the kids and teachers are intoxicated by the spirit of enjoying a series of festivals. First, Jhullan then Honeypot, Balaram Jayanty, Sri Krishna Janamashtami and of-course Sri Radhaashtami. Every year the BGIS students decorate the Jhullan of Radhashyamsunder. This year's theme was Nikunj Jhullan in which they created a small Jungle around Jhullan to give pleasure to the Lordship.

Interschool District level Swimming Championship was held at Ramanlal Shorewala Junior School, Mathura on 5 th August 2013. Overall there were 12 schools across all over Mathura District that participated in the competition.

It is definitely a matter of pride for Bhaktivedanta Gurukula & International School as we bagged another feather in our cap. The title "CHAMPION in Boys' Category was awarded to BGIS. The Joy of success was evident on all the students' of BGIS as they returned to participate in the celebration of their jubilant victory along with their coach Yogesh Yadav & Govind Sharma.

Gagan Puri the student of Class XI bagged 4 GOLD Medals and was awarded as STAR Swimmer in the whole of Mathura District. This is the seventh time that Gagan has come first in the district. It definitely sounds like a Guiness book of Mathura Records.

Clearly this is an example where we at BGIS encourage and train our students both academically, spiritually and in extracurricular activities thus helping our students develop the overall personality.

Sri Krishna Janamashtami

Hare Krsna,

On this auspicious day of your appearance, I would like to express my gratitude to you.

Prabhupada, you are so compassionate towards us, that even though we were not qualified to receive the message of Caitanya Mahaprabhu, you gave that to us.

You went to western countries to preach with great ease. You never expected anything in return, only continued giving us the jewel.

Even if a person is able to develop a tinge of your qualities, his life can be said successful.

Your books and lectures are still inspiring the people. You never discriminated a person. You saw everyone as God in them. You sacrificed your whole life for us. You went on preaching when the conditions went worse. Your everything was so Krsna Conscious that even your last words were about Krsna only.

Thank you for making world's best Gurukula in Shri Vrindavan Dham. I will be always grateful unto you for making such a wonderful school. You are so great that you are present with us to listen our offerings too. Thank you Prabhupada for listening to my offering.

Let's learn from a story

II Love, Time and Storms II

Once upon a time all feelings and emotions went to a coastal island for a vacation. According to their nature, each was having a good time. Suddenly, a warning of an impending storm was announced and everyone was advised to evacuate the island. The announcement caused sudden panic. All rushed to their boats. Even damaged boats were quickly repaired and commissioned for duty.

Yet, Love did not wish to flee quickly. There was so much to do. But as the clouds darkened, Love realized it was time to leave. Alas, there were no boats to spare. Love looked around with hope.

Just then Prosperity passed by in a luxurious boat. Love shouted, "Prosperity, could you please take me in your boat?". "No," replied Prosperity, "my boat is full of precious possessions, gold and silver. There is no place for you." A little later Vanity came by in a beautiful boat. Again Love shouted, "Could you help me, Vanity? I am stranded and need a lift. Please take me with you."

Vanity responded haughtily, "No, I cannot take you with me. My boat will get soiled with your muddy feet." Sorrow passed by after some time. Again, Love asked for help. But it was to no avail. "No, I cannot take you with me. I am so sad. I want to be by myself." When Happiness passed by a few minutes later, Love again called for help. But Happiness was so happy that it did not look around, hardly concerned about anyone.

Love was growing restless and dejected. Just then somebody called out, "Come Love, I will take you with me." Love did not know who was being so magnanimous, but jumped on to the boat, greatly relieved that she would reach a safe place.

On getting off the boat, Love met Knowledge. Puzzled, Love inquired, "Knowledge, do you know who so generously gave me a lift just when no one else wished to help?"

Knowledge smiled, "Oh, that was Time."

"And why would Time stop to pick me and take me to safety?" Love wondered. Knowledge smiled with deep wisdom and replied, "Because only Time knows your true greatness and what you are capable of. Only Love can bring peace and great happiness in this world."

"The important message is that when we are prosperous, we overlook love. When we feel important, we forget love. Even in happiness and sorrow we forget love. Only with time do we realize the importance of love. Why wait that long? Why not make love a part of your life today?"

We are thankful and grateful for your generous contribution.
